No image

Model : LK-0023WT/RD
Angeleye Main Unit w/LED (WT/RD) Light Kit set

Description:

?This light kit stimulates real cars' Angeleye lights
?Easy to install
?Color: Red & White

Include:

?Main Box (1 pc)
?White LED Light Cable (1 pc)
?Red LED Light Cable (1 pc)

Our Angeleye LED Lights are much brighter than ordinary LED Lights, when both the LED Rings and Central LED Lights are switched on

This is how our Angeleye LED Lights look like when they have been installed to a car

Installation Instruction:

Light Bracket with small holes for lights

Need to make the holes of the Light Bracket bigger for fitting our LED lights

> Yeah Racing (#LK-0023WT/RD) Angeleye Main Unit w/LED (WT/RD) Light Kit set

Yeah Racing (#LK-0023WT/RD) Angeleye Main Unit w/LED (WT/RD) Light Kit set

Light Bracket after holes have been enlarged

Fit the LED Lights to the Light Bracket

Fix the LED Lights with glue
