Model : TRF417-019-1
Yeah Racing (#TRF417-019-1X) TRF417
Suspension Mounts Aluminum (BU) (1X
Separated)

Description:

?They are used to further customize your
toe-angle settings
?Unlike conventional design, this separate
design will not be changed in shape as well as
reducing its weight

Feature:

?For: Tamiya TRF417 & TRF416X.
?This product may also be used on Tamiya TA05
ver.2 & TA05-VDF, however, additional part
#50994 or #53709 must be used (not included)
?Made of high quality aluminum
?Metallic Blue Finish
?Very Light Weight

Include:

?Separate Suspension Mount (2pcs)

To find out which suspension mounts are suitable
for your car, please check out the Tamiya user
