### Yeah Racing Aluminum Shock Shaft Pliers & Pin, Screw Tester (BU) #YT-0134BU

Model : YT-0134BU

Yeah Racing Aluminum Shock Shaft Pliers & Pin, Screw Tester (BU) #YT-0134BU

Description:

These 3 in 1 hard-anodized pliers can be used to hold shock shafts firmly, and measure pin & screw sizes! Compared to other shock pliers, it has a nicely curved grip handle at the end, which provides good hand feel and allows you to grip the shock shafts firmly.

Measure the screw sizes with diameter 2mm, 2.5mm, 3mm, 3.5mm, 4mm.

Measure the pin sizes ranging from 2mm, 2.5mm, 3mm, 3.5mm, 4mm in diameter.
