(#XR-T4-028) Equal Flex Carbon Graphite Chassis 2.0mm For Xray T4 2019

Model : XR-T4-028
(#XR-T4-028) Equal Flex Carbon Graphite
Chassis 2.0mm For Xray T4 2019

Description:

Yeah Racing's 2mm Carbon Graphite chassis for Team Xray's T4 2019, featuring high weave carbon which prevents deformation during high speed cornering and thus providing excellent high speed cornering grip! A 2mm thickness which results in more flex and traction generated!
