Your Private Band!!!

Your RF system jamming with your friends because of equal channels? Too easy Now! Yeah Racing has produced a series of new FM crystal which are of alternative channels. They can be applied in wide range of usages, but they perform perfectly with Futaba's Radio Kit & the opportunity of "jamming" and "annoying" will be much more lessen. No more "Jamming", No more "Annoying".

?FM 75.890MHz

?Extremely Accurate

?Specially designed for Futaba's Radio Kit ONLY!!!

?Photo for reference only
